Case No. 2:16-cv-01898-APG-GWF

ORDER

11 This matter is before the Court on Plaintiff's Unopposed Motion for Leave to File Under
12 Seal (ECF No. 94), filed on September 22, 2017.

13 Plaintiff requests leave to file unredacted exhibits attached to Defendants' third motion for
14 summary judgment under seal and for Defendants to file a redacted version of the exhibits in the
15 public record. Plaintiff represents that the exhibits are a licensing agreement and a nunc pro tunc
16 agreement that contain proprietary trade secret information such as pricing terms, royalty rates, and
17 guaranteed minimum payment terms. To justify sealing documents attached to dispositive motions,
18 a party is required to present articulable facts identifying the interests favoring continuing secrecy
19 and show that these specific interests overcome the presumption of public access by outweighing
20 the public's interests in understanding the judicial process. *Kamakana v. City and County of*
21 *Honolulu*, 447 F.3d 1172, 1181 (9th Cir. 2006). The Court finds that Plaintiff has met its burden
22 here and grants leave to file the unredacted exhibits under seal. Defendants shall file a redacted
23 version on the public record. Accordingly,

24 **IT IS HEREBY ORDERED** that Plaintiff's Unopposed Motion for Leave to File Under
25 Seal (ECF No. 94) is **granted**.

26 DATED this 26th day of September, 2017.
